CANCER LEGAL CARE
LAWYERS ON YOUR CANCER CARE TEAM

Engaging the law to resolve the complex challenges facing people and communities affected by cancer.

BECAUSE CANCER...

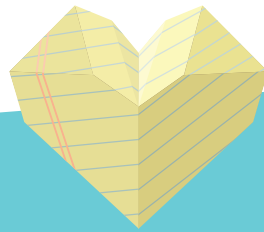

Touches all of us

Can be catastrophically expensive,
even with health insurance

Often brings complex and devastating legal issues

CANCER LEGAL CARE IS HERE.

We are the only organization providing free legal care to Minnesotans facing cancer. Each year our staff and volunteer attorneys assist hundreds of people with legal issues.

We do this by:

- **Preventing** people from losing their homes
- **Explaining** employment leave laws and return to work rights
- **Securing** and **maintaining** insurance coverage
- **Navigating** disability benefits
- **Making plans** for a family's future care through estate planning

WE INVITE YOU TO SHARE THE CARE BY...
