

*I was so grateful  
to have had Cancer  
Legal Care in my  
corner. They calmed  
my nerves and  
allowed us true  
peace of mind.*

## DOCTORS AND NURSES CAN HELP WITH YOUR MEDICAL NEEDS

Cancer Legal Care is  
here for the rest

Cancer Legal Care has caring and compassionate attorneys who know how difficult the non-medical side of cancer can be and are here to help. We are a Minnesota nonprofit organization supported entirely by grants and private donations. Our legal care information services are available to all Minnesotans in need. Additional legal care services are available to income eligible clients.

### Questions

What do I tell my employer?

When should I apply for  
Social Security Disability?

Can I take family Medical  
leave for time for my  
cancer treatment?

Should I file for bankruptcy?

What is a Power of Attorney  
and why would I need one?

How do I appeal an insurance  
denial?

Do I need a Will?

Do I have to disclose the fact  
that I had cancer in an  
employment application?
