

## CANCER LEGAL CARE

LAWYERS ON YOUR CANCER CARE TEAM

Greetings!

MNsure has created a [special enrollment period](#) for people who have insurance outside of MNsure AND are experiencing a decrease in their income.

What does this mean?

If you already have insurance outside of MNsure (for example, through your employment or from the individual market) and have decreased income because:

- your rate of pay has been reduced, or
- your amount of hours has been reduced, or
- you are self-employed and your income has decreased

you may qualify to enroll in a lower cost health insurance plan through MNsure.

Information on the specific qualifications and verification documents you will need to produce can be found [here](#).

\*\*Note that the 60 day period to take advantage of this special enrollment period starts the day after your household income decreases. Don't delay in contacting MNsure at 651-539-2099 or 800-366-7873. \*\*

Be well and take good care,  
The Cancer Legal Care Team

P.S. Remember, because of the Affordable Care Act, pre-existing conditions like cancer can't be used to deny health insurance coverage.
