

CANCER LEGAL CARE

LAWYERS ON YOUR CANCER CARE TEAM

I was so grateful to have had Cancer Legal Care in my corner. They calmed my nerves and allowed us true peace of mind.

DOCTORS AND NURSES CAN HELP WITH YOUR MEDICAL NEEDS

Cancer Legal Care is
here for the rest

Cancer Legal Care has caring and compassionate attorneys who know how difficult the non-medical side of cancer can be and are here to help. We are a Minnesota nonprofit organization supported entirely by grants and private donations. Our legal care information services are available to all Minnesotans in need. Additional legal care services are available to income eligible clients.

Questions

What do I tell my employer?

When should I apply for Social Security Disability?

Can I take family Medical Leave for time for my cancer treatment?

Should I file for bankruptcy?

What is a Power of Attorney and why would I need one?

How do I appeal an insurance denial?

Do I need a Will?

Do I have to disclose the fact that I had cancer in an employment application?
